The Build Act of 2018

Well Donald I was loosing faith in you, somehow when you became President I liked it, when on one did, today you make day, I will send some coconut juice with Ice.

“ The U.S. sees Belt and Road as a tool used by Beijing to advance its strategic and military interests. A number of Trump administration officials and U.S. lawmakers describe the risks of China using “debt traps” to gain control of sensitive infrastructure and “predatory economics” to undermine the autonomy of debt-burdened countries.” (Mandhana, 2018/11/13/)
